

Kick the Bottled Water Addiction!

Multi-Pure Drinking Water Systems

Multi-Pure - Providing Solutions for the Environment

- 2 million tons of plastic bottles are landfilled every year!
(Worldwatch Institute)
- Only 1 out of 10 water bottles are recycled.
(Container Recycling Inst)
- 1,000 years to biodegrade a plastic bottle.
- FDA does not regulate water that is bottled and sold within the same state!

Multi-Pure Gives YOU Better Water!

- Better for the environment! (1 filter = 12,000 8oz plastic bottles!)
- More convenient than bottled water (right at your tap!)
- Quality you can trust - **Certified by NSF Standard #53 to reduce more contaminants than any other water filter on the market today!**
- Saves you money - Only 8¢ per gallon
- Whole house system, water coolers, counter-top models & more!

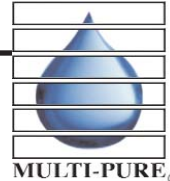

MULTI-PURE
in business since 1970

To receive a discount off the purchase of any water filter system go to www.multipureusa.com/
