## 1. First Purchase Requirement

- The commission on the first Drinking Water System (DWS) sale or purchase by a new Builder (First Purchase) is allocated to the Sponsor. After the First Purchase, the new Builder is now qualified to receive commission on all future personal sales.
- Options for the First Purchase:

- The Builder purchases a personal-use DWS from their Sponsor.
- The Builder sells a DWS to a customer.
- If the new Builder had previously purchased a Multipure DWS (from a Builder or directly from Multipure) before registering as a Builder, then the Sponsor can, at their discretion, waive the First Purchase Requirement.

## 2. Commission Payment Period

Multipure pays its Builders commission two times a month.

- Mid month checks pay the selling Builders their commission on personal sales completed between the 1st and 16th of the month. The commission amount is calculated based on the Builder's level of achievement at the start of the month. Commissions will be processed 3-5 business days after the 16th of the month.
- Personal sales that commissioned mid-month will be paid any additional commission earned if the Builder rank advanced during the month. Personal sales made between the 16th and last day of the month, Downline commissions, Rollup Bonuses, Activity Bonuses, and personal and network replacement filters will all be included in this end of month commission check. The end of the month commissions will be processed approximately 3-5 business days after the last day of the month.
- Earnings of less than \$10 per order will accumulate until cumulative earnings equal \$25 or a single payment exceeds \$10 in any one month, whichever occurs first.
- Please allow sufficient time for checks to be delivered by the U.S. Postal Service before making inquiries about a payment.

## 3. Commission Timing

- **U.S. Mail:** Multipure pays commissions on all orders received by the last day of the month or postmarked by the last day of the month.

**NOTE:** Mail deposited in a mailbox on a weekend is not postmarked until the following business day (e.g., Monday); if it is the end of the month, that mail will not be postmarked until the next month and will not meet the deadline for the current month's commission.

- **Online:** Online orders must be submitted by the last day of the month.
- **Telephone:** Telephone orders may be submitted by the last day of the month and still count for commission. Orders after the last day count toward the next month's commission.

## 4. Additional Charges and Fees

- Commission checks that are lost, stolen, or no longer negotiable can be reissued for a fee. NOTE: "No Longer Negotiable" is defined as any check deemed expired or too old (i.e., "stale") for acceptance by a bank or other financial institution for cash exchange, deposit, or other purpose.
- The fee to reissue a lost or stolen check is \$30.
- Stop payments on lost commission checks incur a \$30 fee.
- The fee to reissue a check that is less than two years old and no longer negotiable is \$10. The original check must be returned to Multipure.
- The fee to reissue a check that is more than two years old and no longer negotiable is \$30. The original check must be returned to Multipure.

## 5. Policy on Unpaid Commissions:

- Unpaid commissions occur when earned commissions remain below the \$25 minimum value for Multipure to issue a commission check.
- Dormant Builders (Builders that have been Inactive/non-PAR-qualified for 36 months or more) with earned but unpaid commissions remaining on their account will receive a commission check from Multipure upon request, less a \$5 check processing fee; if the check processing fee reduces the value of the commission check to zero or below, then the commission check will not be paid out.

## 6. Taxpayer Identification Number

- Multipure is required to file an information return form (Form 1099) with the Internal Revenue Service, reporting Builders' annual earnings of \$600 or more. Because of this, every Builder must furnish their Taxpayer Identification Number (TIN) to Multipure.
- The TIN must be furnished regardless of tax filing requirement status or coverage by Social Security.
- For individuals, the TIN is the Social Security Number (SSN).
- For other entities, the TIN is the Employer Identification Number (EIN).

## 7. Builder Support Fee

- Multipure provides many services to Builders, including but not limited to: bookkeeping, direct shipments, sales tax reporting, meetings, mailings, newsletters, toll-free phone service, and online websites and services.
- To provide for these services, there is a nominal fee of 2.5% of Builder earnings (maximum of \$5 charged per commission period) charged to Builders.

## 8. Address Corrections

- In the event of a change of address, please notify the Multipure Commissions Department as soon as possible, by telephone at 702.360.8880, extension 83, or by email at [buildersupport@multipure.com](mailto:buildersupport@multipure.com).
- In the event of mail returned by the U.S. Postal Service to Multipure, future mailings will not be sent to that address.
- It is the responsibility of the customer and/or Builder to update Multipure with their current information.

## 9. Unclaimed Property

- In the event purchased products are returned by the delivery service to Multipure, Multipure will attempt to contact the buyer by telephone, email, and/or letter to arrange for redelivery, alternate delivery, or order cancellation.
- If the customer cannot be contacted within a reasonable amount of time after delivery return, the order will be cancelled and refunded, less the cost for shipping.
- If the products are returned by the delivery service due to delivery refusal by the buyer, then the order will be immediately cancelled and refunded, less the cost for shipping.
