

Multipure Demo Program

The Multipure Demonstration Program provides Builders with an affordable means of acquiring demonstration systems to use for in-home demos or customer trials. Builders may purchase up to three (3) Countertop Demonstration Systems at a discounted price of 50% off of the Builder net price. The retail value of these demo systems must be equal or less than the retail value of the Builder's initial system purchase.

Multipure Demonstration Program Terms and Conditions

1. **PURPOSE:** The purpose of the Multipure Demonstration Program (MDP) is to provide the Multipure Independent Builder (IB) with a Multipure Drinking Water System for customer demonstration and/or free home trial use.
2. **ELIGIBILITY:** IB is eligible for the MDP upon completion of a qualifying purchase for a Builder Business. IB must be in good standing with Multipure.
3. **PRODUCT:** Products eligible for the MDP are limited to Multipure Drinking Water Systems (DWS) configured for countertop use. Countertop Demonstration Systems (CDU) must be equal or lesser value than the IB qualifying purchase.
4. **QUANTITY:** IB may purchase up to three (3) CDUs.
5. **PRICE:** IB may purchase CDUs at a discounted price of 50% off of the IB net price. Shipping and sales tax must be added to the purchase price of the system.
6. **FILTER REPLACEMENT:** IB should replace the filter in their CDU on a regular basis. IB may order replacement filters, at their cost, for their CDU. S&H and sales tax must be added to the purchase price of the filter.
7. **BUILDER SALES CREDIT:** IB must purchase their CDUs from their sponsoring IB. As such, any and all sales values are credited to the sponsor, not the IB purchasing the CDUs.
8. **USAGE:** CDUs may be used for demonstrations or for customer in-home trials.
9. **WARRANTY:** CDUs are covered by Multipure's 90-Day Guarantee and Warranty, beginning from the date of purchase.
10. **CONTEST POINTS:** CDUs count toward the accrual of points for any Multipure contests.
11. **CUSTOMER REGISTRATION:** IB can choose to sell their CDU to a customer. If sold, the IB must register the purchasing customer with Multipure to ensure their entry into Multipure's customer database and ensure their product warranty coverage; this will allow them to receive filter reminder notices and coupon order forms. Customer registration can be performed by contacting Multipure by phone at 800.622.9206, or by web at <http://www.multipure.com/productreg.html>. The selling IB can purchase additional CDUs up to their maximum three-CDU total limit.
12. **PARTICIPATION:** To participate in the MDP or to request additional information, contact Multipure by phone at 800.622.9206.
13. The Multipure Demonstration Program is subject to change at any time without notice.
