How to Donate a Drinking Water System

Thank you for your interest in donating a drinking water system to Multipure's Pure Foundation. It is donations like these that make it possible for the Pure Foundation to continue to bring clean drinking water to people in need.

Please follow the instructions below if you are interested in donating a system.

Purchasing a new unit for donation:

1. Contact Multipure by phone at 800.622.9206, and ask to place your order directly through the Commissions Department.
2. Specify that your order will be donated to the Pure Foundation.
3. You will receive commissions on your order, as well as a charitable donation tax deduction receipt via mail, valued at the full retail amount of the order.

Donating an already purchased, used, or refurbished unit:

1. Package your donation securely, making sure to include your contact information.
2. Ship your donation to:
Multipure's Pure Foundation
Attn: Donna Robinson
7251 Cathedral Rock Dr.
Las Vegas, NV 89128
3. Once received, we will assess the contents to determine if it is a new or used system.
4. You will be contacted for additional information regarding the donation type prior to processing the donation.
5. You will receive a charitable donation tax deduction receipt via mail, valued at either:
 - a. Full retail amount for new units.
 - b. Partial retail amount for used or refurbished units.

For additional questions or concerns, please feel free to contact Donna Robinson by phone at **800.622.9206**, or via email at **drobinson@multipure.com**.
