

MULTIPURE® Starter Kits

The Multipure Starter Kit is a self-contained, streamlined introduction to Multipure products and the Multipure Business Opportunity. It is a powerful presentation and recruitment tool, providing an at-a-glance overview of Multipure that makes joining both quick and easy. It includes business tips, compensation information, and an overview of both current and new Multipure products.

Multipure Starter Kits provide a complete-package introduction to the company, its products, and its business opportunity.
